**Delegation from Hizb ut Tahrir / Wilayah Sudan
Visits Sheikh Abdullah (Azraq Taybah)
(Translated)**

A delegation from Hizb ut Tahrir Wilayah Sudan, under the leadership of Ustaath Nasser Ridha, Head of the Central Contacts Committee, accompanied by Brothers Abdullah Hussein and Abdel Qader Abdel Rahman, and Ali Siwar- members of Hizb ut Tahrir. The delegation visited Sheikh Abdullah (Azraq Taybah) Khalifat AlSijadah Alarkiyah Alqadiriyyah, and the leader of the Federal National Party, at his residence at Teebah AlSheikh Abd AlBaqi in the state of Al-Jazeerah.

The meeting was attended by a group of politicians, where Ustaath Nasser explained the truth of lifting the American sanctions, and that it is the stamp of abandonment of Islam and the application of Islamic Sharia law, and to display in its place the explicit secularism in Sudan. It is also a stamp for tearing the country, and the full normalization of relations with the Kaffir colonizers, and the Jewish statelet.

Ustaath Nasser has also shown that the sanctions lifting is in the interest of America, greedy in the wealth of Sudan, as has been stated by Trump, by opening Sudan to American companies. Also, America's eyes are on the territory of the green island, especially since they are the ones who discovered oil in the island in the time of the former President Jaafar Nimeiri, and the roaming of the American diplomatic representative in the island in the last few days is not far from our minds. Ustaath Nasser said it is clear that this regime continues to achieve the American demands of secularization of the country, ripping it apart, and deliver its wealth to the Kaffir American colonizer.

Brother Nasser concluded his talk by stating that parallel to that, there is a project that unites the Ummah, and that severs the Kaffir colonizing hands from it, namely the second rightly guided Khilafah (Caliphate) on the method of the Prophethood; which everyone must be working for it.

The delegation valued the strong stand of Sheikh Abdullah, of rejecting Western colonial intervention in Sudan, and called to enlighten the people of Western colonial schemes towards Sudan and its wealth.

In conclusion, the delegation thanked Sheikh Abdullah for his generous hospitality and warm welcome.
