

Congratulations On the Occasion of the Holy Month of Ramadan (Translated)

We in Hizb ut Tahrir / Wilayah Sudan are pleased to congratulate you on the blessed month of Ramadan, which we ask Allah Subhanahu Wa Ta'ala to emerge it on us and the Islamic Ummah with goodness, prosperity and blessings. And we ask Him (swt) to accept from us our fasting, Qiyam, and good deeds, and make them sincere for His sake.

Ramadan was a month of obedience, conquests and victories. During which the greatest victories of Muslims were achieved. This was when the Ummah was living an Islamic way life, under the authority of Islam, and the Khaleefah of the Muslims was ruling by the law of Allah (swt), by which the well-being of the affairs is observed, honors are protected and sanctities are guarded. However, with the absence of Islam, our reality became as we see, humiliation upon humiliation, defeat after defeat, change in the provisions of Islam and deviation from its application, and control of the colonial West in our decisions, such as no decision is made in our country but by the authority of America, or its councils, and organizations!

We ask Allah (swt) that He makes this month a month of goodness and blessing for all Muslims, and that next Ramadan arrives and the state of the righteous Khilafah (Caliphate) on the method of Prophethood has been established, to achieve dignity for Muslims, spread goodness in the Worlds, extend security and attain justice among people by applying the law of the Lord of the Worlds.

And we ask Allah to make it soon

May your years be filled with goodness.
