On Monday, 20th November 2017, in Al-Obayid City, the capital of North Kordofan State, a delegation from Hizb ut Tahrir / Wilayah Sudan, met with Br. Ismail Makki, Acting Governor of North Kordofan State, in the Governor's office. The delegation was under the leadership of Br. Ibrahim Othman (Abu Khalil), the official spokesman of Hizb ut Tahrir in the Wilayah of Sudan, and Ustaadh Hassan Ismail - Member of the Wilayah Council of Hizb ut Tahrir Wilayah Sudan, and the Br. Al-Amin Hassan and Mohammed Al-Amin al-Dafallah, both members of Hizb ut Tahrir.

Abu Khalil spoke of the Ummah's project and its vital issue; the Khilafah Rashidah (righteous Caliphate) on the method of the Prophethood, against the colonial, Western Kaffir project led by America, which is working to prevent the return of the Khilafah. Abu Khalil presented what the party is doing to restore the Islamic way of life by establishing the Khilafah Rashidah on the method of the Prophethood, explaining that the party carries a complete and detailed project on Islam and its systems, and a draft constitution of the state of the Khilafah, and that all of this is derived from the Book of Allah and the Sunnah of His Messenger (saw) through a correct Ijtihad, and that the party seeks to bring all this to power.

The acting governor praised the speech of Abu Khalil and said: "It is enough for Hizb ut Tahrir that it enlightens the Ummah about the Khilafah, and that this Ummah has a state that was honored and dignified." Adding, "that he is with this project, and no one can reject this project as long as he is a Muslim," stressing that the Kaffir does not come from him any good.
