Press Release

Al-Bashir's Statements in Russia about the Conspiracy to Tear Down Sudan Confirm what Hizb ut Tahrir has been Repeatedly Warning of ... Will Al-Bashir Respond to the Advice?

(Translated)

In an interview with Sputnik, published on Saturday 25/11/2017, President al-Bashir said, "Sudan faces major pressure and conspiracy from the United States, and the cases of Darfur and South Sudan have found support and backing from America, and under its pressure, South Sudan has been separated", adding, "We have information that the US aspiration is to split Sudan into five countries, if we do not find protection and security,... America took the world leadership and devastated the Arab world ... and what happened in Sudan of division, this division was under American pressure and conspiracy. The plan is to destroy Sudan and divide it into five countries...."

Hizb ut Tahrir, Wilayah of Sudan, the bare warner (*an-Nathir Al-Urian*), and the trustworthy advisor, has been confirming these facts and warning against them for decades with decisive evidences and clear proofs. The party's stand against the secession of the South has taken solid steps witnessed by all the people of Sudan, advising the government, the opposition, and the politicians, the army, the parliament and others ... to realize the Truth, and warning against the danger of the regime following the American dictates and its poisoned agenda. The regime, instead of responding to the advice with corresponding and submission to the truth, it arrested the sincere Shabab of the party, tortured them and brought them to malicious trials, and then here is this al-Bashir confirms what Hizb ut Tahrir warned of! If al-Bashir is sincere in his tone, then he should not speak in the language of the average person, rather he is the head of state; and empty and futile statements are not accepted from him. Rather, he is required after he has realized the Truth to do the hard work that pleases Allah (swt) and His Messenger (saw), and to spare the country and the people the deception of the unbelievers.

The protection and security sought by al-Bashir in Russia, will only be through the application of Allah's Law, fully and comprehensively. Allah (swt) said: ﴿الَّذِينَ آمَنُوا وَلَمْ يَلْبِسُوا إِيمَانَهُمْ بِظُلْمٍ أُولَٰئِكَ لَهُمُ الْأَمْنُ وَهُمْ مُهْتَدُونَ﴾ "They who believe and do not mix their belief with injustice - those will have security, and they are [rightly] guided." [Al-Ana'm: 82]

So, will Al-Bashir respond to the advice, and listen to the advocator of goodness, thereby, he cuts off the mischievous Western colonial hands in Sudan, closes the den of evil, represented by the Embassy of America in Soba suburb of Khartoum, expels the colonial missions, whether American or European, which afflicts and harass the country and its people, roaming the country east and west, and renounces the secession of the South? For, without the signature of al-Bashir and his celebration of the secession, this would not have been done. So, let him take a cherished stance against Russia, by which he pleases Allah Almighty and satisfy the breasts of the believers, as Russia is a greedy state in the wealth of Muslims, like America, smeared with the blood of Muslims, in Chechnya, Syria, Uzbekistan, and other Muslim countries.

The ideological solution is to hold firmly to the strong rope of Allah and to apply His law, by declaring the second Khilafah Rashidah (righteous Caliphate) on the method of the Prophethood, the state of Islam and Muslims that protects the territory of Islam, repels the plots of the conspirators and their associates, so they turn back despised. Allah (swt) says: ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُحْشَرُونَ﴾ "O you who have believed, respond to Allah and to the Messenger when he calls you to that which gives you life. And know that Allah intervenes between a man and his heart and that to Him you will be gathered" [Al-Anfal: 24].
