The Security Authorities in Al Qadarif Obstruct the Path of Allah and Arrest the Dawah Carriers

(Translated)

Hizb ut Tahrir in Wilayah Sudan, distributed a leaflet entitled: **“Islam Alone is the Way out of a Policy that is a Combination of Failure and Lies”** in the mosques of the city of Qadarif, following the Maghrib prayer on Monday 07/05/2018. As a result, the security forces arrested Brother Hassan Mohieddin (48 years old) in front of the railway mosque in Qadarif, and was not released at the time of writing this statement.

The leaflet exposed the lies of the regime and its failure to address the fuel crisis, which is still taking place. The leaflet showed how the government was unable to provide \$ 102 million to maintain the refinery and import fuel reserves. It has long lied to people about the arrival of ships, and the end of crisis within days or hours, and that the entry of the refinery requires 4 to 5 days ... and more of such lies and deception.

The leaflet pointed out that the economic policies that were initiated by the government since the beginning of the current year 2018, which the people of the country have suffered in the form of high prices, and successive crises in bread, sugar, fuel and even in all goods, are studied policies that the government is following, and it is implementing the IMF's instruction, hoping that in return it will get the prohibited interest that calls for war with Allah (swt) and His Messenger (saw).

If the government was serious about resolving these crises, it would have adopted the radical solution that Hizb ut Tahrir carries. This solution lies in the great ideology of Islam, because it is the life systems from the Expert and Wise, which is suitable for our lives and our Hereafter, and cut off the rope (link) with the enemy, which is weaker than the spider's web if they know.

We reaffirm to the regime, which does not listen to the advice of the sincere, and to its tools used by the regime to obstruct the path of Allah, that Hizb ut Tahrir will proceed with the resolve of the men, the real men, in carrying the call of truth and to demonstrate falsehood, and the sincere hard work for the resumption of Islamic way of life by establishing the second Khilafah Rashida (rightly guided Caliphate) on the method of Prophethood, which its time has come, and the arrests and prisons will not deter us, even the gallows do no frighten us. We only seek Allah's pleasure.

﴿وَلَوْ يَرَى الَّذِينَ ظَلَمُوا إِذْ يَرُونَ الْعَذَابَ أَنَّ الْقُوَّةَ لِلَّهِ جَمِيعًا وَأَنَّ اللَّهَ شَدِيدُ الْعَذَابِ﴾

“And if only they who have wronged would consider [that] when they see the punishment, [they will be certain] that all power belongs to Allah and that Allah is severe in punishment” [Al-Baqara: 165]
