**The Regime Continues to Arrest those Proclaiming the Call of Truth
From the Front of the Houses of Allah on the Earth**

(Translated)

The security services in the city of Al-Obyaid arrested Brothers: An-Natheer Muhammad Hussein, Ahmad Wada'a and Hussein Himaida, members of Hizb ut Tahrir, from the front of the Grand Mosque in Al-Obyaid city today after Friday prayers. This took place when Brother An-Natheer began to read out the statement of Hizb ut-Tahrir / Wilayah of Sudan entitled: "A Call from Hizb ut Tahrir to those frequenting the Masajid the Houses of Allah on Earth," he was arrested before he finished reading the statement, Brother Wada'a continued reading the statement, but he was also arrested together with Brother Hussein who was holding the banner of the Messenger of Allah (saw)

The security forces did not release them yet by the time this statement was written. The police also arrested Brother Adam Muhammad Ahmad, member of Hizb ut Tahrir, Imam and Khateeb of the West of the Broadcasting Centre District Masjid Square No. 11 in Niyala city after reading aloud the statement above; he was released after Isha' prayer.

The call that made the security forces arrest Hizb ut Tahrir members here and there, is a call to the Truth, which superior and is nothing is more superior to it, it is the call of the good (Al-Khair); the great Islam, which by losing its rules and systems, and implementing the Kufr systems of the West, the Ummah was lost and controlled by the oppressors and corrupt.

The situation of the people because of hardship of living made them take to the streets calling for the overthrow of the government , this is why the Hizb released the call not replace one party by another rather their duty is to change the capitalist secular system, to be ruled by the Khilafah Rashida (rightly guided Caliphate) on the method of Prophethood. And that the voice of the people of Iman frequenting the masajid, the houses of Allah on the earth, must be the loudest, which demands the implementation of the systems of Islam and its law, and they must be at the forefront of the workers for the true change, which is achieved by getting out of the tyranny of the oppressive rule and entering into the rule of Islam, the Khilafah Rashida on the method of Prophethood.

We in Hizb ut Tahrir / Wilayah of Sudan warn the security services of the repercussions of participation with the regime in its oppression and corruption, by stopping the truth from being heard, and guiding the compass of Muslims to the system chosen to them by the Lord of the Worlds. We demand the release of the honourable brothers, members of Hizb ut Tahrir immediately, and to apologies to them, because what they have done pleases Allah (swt). Rather they must be honoured, not to be humiliated by arrest and other actions!
