Subject: Misplacing Hizb ut Tahrir's Logo

(Translated)

We have found on your newspaper on the internet on [this link](#), a news titled: "Sudan Liberation Party declares support for the state of emergency" on 23/02/2019, at 09:01 am according to the site, and directly under the heading, before the news, you placed the logo of Hizb ut Tahrir! You cannot say it that this is inadvertent error, and you cannot say that your news is about another party, because the media in all its forms written, audio and visual, knows with certainty who this logo is for. Which is not an emerging logo, but rather a long-standing logo of Hizb ut Tahrir, which seeks to resume the Islamic way of life, by establishing the Khilafah Rashida (righteous Caliphate) on the method of the Prophethood for decades, until the logo of Hizb ut Tahrir became known to the public. **Therefore, placing it with the news about another party, constitutes public confusion, and an unacceptable deception,** because Hizb ut Tahrir is an ideological party, and its positions are unchanging as they emanate from creed of the Ummah; the great Islam.

As for the reality of the Ummah today, and Sudan is part of this reality, it is a false reality, because it is not based on Islam. It is false before the declaration of the state of emergency, and is false after declaring it, until the establishment of the State of the Khilafah Rashida (Righteous Caliphate) on the method of the Prophethood, so that it restores things to normal.

Please apologize and correct the situation by deleting the logo.

Ibrahim Othman (Abu Khalil)
Official Spokesman of Hizb ut Tahrir
