

An Invitation to Attend the Khilafah (Caliphate) Conference in the City of Gedaref [Al Qadarif]

(Translated)

The Islamic Ummah has lived its best days under the shadow of the **Khilafah (Caliphate)**; worshipping its Lord, adhering to the command of the Glorified (swt), ruling by what Allah has revealed, spreading good and justice throughout the world, so the dress of glory was its cloak, and the path of victory was its path for more than thirteen centuries. During this time the plot of the disbelievers, and tricks of the hypocrites did not stop, until they managed to demolish the edifice of the Caliphate on the 28th of Rajab 1342 AH, so humiliation replaced glory, defeat and disappointment replaced victory, injustice and oppression replaced justice.

Hizb ut Tahrir was founded in these circumstances to liberate the Ummah from the kaffir systems, ideas and rulings, so that the Ummah resumes the Islamic way of life by establishing the second Khilafah Rashidah (rightly guided Caliphate) on the method of Prophethood. We in the month of Rajab Al-Fard remind the Ummah of the demolition of its state, the Khilafah (Caliphate), in this forbidden month, we mobilize the men of men's energies in it, to work with us to bring it back rightly guided on the method of Prophethood.

We will be pleased of your presence and participation with Hizb ut Tahrir / Wilayah of Sudan in commemorating the 99th anniversary of the fall of the Khilafah (Caliphate) through a conference held under the title:
