

Press Release

Congratulations for the Coming of the Blessed Eid Al-Adhaa
Labayk Allahumma Labayk, Labayk Laa Shareeka Laka Labayk
Inna l-Hamda Wa n-Ni'mata Laka Wa l-Mulk, Laa Shareeka Laka Labayk
(Translated)

Just as the voices of the Hujjaaj are being raised at the House of Allah Al-Haraam with the Talbiyah to Allah, the voices of the people of Ash-Shaam have been raised since the beginning of their revolution with the Talbiyah to Allah. It was for that reason that the states of disbelief (Kufr) conspired against it, diversified their plots and scheming and gathered the hosts and followers, including the hate ridden militias and the states of criminality, to make war against the great Islam that emanates from our Aqeedah (belief) and to attempt to eliminate our aspiration towards our honour and our salvation via the ruling by the Shar'a of our Lord.

O Patient Ones in the Land of Ash-Shaam:

The blessed Eid Al-Adhaa is passing over you whilst your sacrifices and suffering are great. Homes and towns destroyed, millions forced to flee, children orphaned and honourable women raped. Should not the price of all of that be the pleasure of Allah and the uprooting of the criminal regime with all of its symbols and pillars, and not negotiating with it and participating with it?

We are passing through this Eid whilst America, its helpers and all whom it has gathered in terms of states and sectarian militias are scheming to prevent the agent regime of hate and criminality. This potting increases day upon day and the eviction of the people of Dariya and the siege of Ghouta, Hayy Al-Wa'r, Halab and other areas represents the first of the plots and not the last. ﴿فَاتْلُوهُمْ اللَّهُ أَنَّى يُؤْفَكُونَ﴾

"May Allah destroy them; how are they deluded?" [Al-Munaafiqoon: 4].

And now they are attempting to enforce a truce that the two foreign ministers of Russia and America have agreed upon, which will be imposed under the supervision of the UN in an attempt to take away the weapons from the sincere and so that they can be directed towards their brothers instead of been directed towards bringing down the criminal regime. This truce (ceasefire) reminds us of what happened in Srebrenica in Bosnia when the armed agreed to hand over their weapons to the UN. Then it wasn't long until they betrayed them and permitted the Serbs to kill, mutilate and rape thousands of Muslims under the watch of the crusader world and its United Nations with their blessing.

O Patient Muslims in the Land of Shaam:

Verily we, your brothers in Hizb ut Tahrir in the Wilayah of Syria, whilst congratulating you upon the occasion of your Eid, we ask Allah 'Azza Wa Jalla to honour us with a way out, victory and consolidation. We reiterate that our escape is through cutting the ropes of these plotting and spiteful states against Islam and the Muslims and by refusing their dirty political money that has shackled and held our decision to ransom to them. Our way out is by holding firm and solid to the rope of Allah alone because our victory is in His hand, renewing our covenant to Allah Al-'Azeez Al-Hakeem, when our throats reverberate "Labayk Allahumma Labayk". And we give you glad tidings that their plotting will come to an end and that the promise of Allah of the victory of His Deen and the honouring of the sincere servants is very near. And on that day our Eid and our great joy will be realised.

He Ta'Aalaa said:

﴿إِنَّا لَنَنْصُرُ رُسُلَنَا وَالَّذِينَ آمَنُوا فِي الْحَيَاةِ الدُّنْيَا وَيَوْمَ يَقُومُ الْأَشْهَادُ﴾

"Indeed, We will support Our messengers and those who believe during the life of this world and on the Day when the witnesses will stand" [Ghaafir: 51].
