A MESSAGE FROM HIZB UT TAHRIR TANZANIA TO ARMIES OF EGYPT, JORDAN, SYRIA, TURKEY, SAUDI ARABIA

Oh! Armies in the Muslim Lands,

Gaza has already been devastated and now is Lebanon, what are you waiting for to go forward offering your military support?!

It has been more than a year now since the Jewish entity has been fully assisted and supported by the United States of America and other western countries, and it continues to commit brutal genocide, demolishes buildings and infrastructures in Gaza.

Not only this enemy has continued carrying out similar carnages in Lebanon, yet it is attacking Iran and Syria. What sort of humiliation are you exposing in with the whole Islamic Ummah, without taking any tangible action?

Within one year, six Muslim lands have been attacked; Palestine, Lebanon, Syria, Iran, Iraq, and Yemen while you are oblivious.

This issue has only two sides; the side of the enemies of Islam, the other side is that of Islamic Ummah. Which one would you ally and stand with? Is your bond with Ummah

not a bond of Islamic faith? Do you think you are safe enough that the enemies would not continue to attack the rest of Muslim lands and even attack you?

Alas! The enemy would never be satisfied, and the required response to it is only bullet not surrender.

It has been reported that 43,000 people have been martyred in Gaza or according to some other sources the number is almost 200,000 and 7000 or unknown number of the people are under the rubbles and more than 100,000 injured, while more than 80% of homes have been ruined.

Survivors in Gaza are desperately wandering around, surrounded by the Jewish army and prevented an access to aid. There is no food, water, or medical services. Apart from being bombed, they are also dying from hunger. Almost all hospitals and medical centres have been demolished.

Oh! Armies in the Muslim world! Aren't these your brothers?

More than 600 mosques have been demolished. Undoubtedly, this is an open war against Islam.

Oh! Armies in the Muslim world!

What is the greatest pride for a Muslim than a victory in the battlefield of jihad or become martyr? Don't you know that abandoning jihad in this situation is one of the most dooming grave sins?

The enemy is still thirsty to shed sacred blood of Muslims. It is not satisfied with bombing buildings only; instead, it continues blowing up even tents where weak survivors among women and kids have taken refuge.

Oh! Armies in the Muslim world,

If you abandon to help your brothers, who do you think would come forward to help them? ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا مَا لَكُمْ إِذَا قِيلَ لَكُمْ انْفِرُوا فِي سَبِيلِ اللَّهِ أَتَأْتِلُكُمْ إِلَى الْأَرْضِ أَرْضَيْتُمْ بِالْحَيَاةِ الدُّنْيَا مِنَ الْآخِرَةِ فَمَا مَتَاعُ الْحَيَاةِ الدُّنْيَا فِي الْآخِرَةِ إِلَّا قَلِيلٌ * إِلَّا تَتَفَرَّغُوا يُعَذِّبُكُمْ عَذَابًا أَلِيمًا وَيَسْتَبْدِلَ قَوْمًا غَيْرَكُمْ وَلَا تَضُرُّوهُ شَيْئًا وَاللَّهُ عَلَى كُلِّ شَيْءٍ قَدِيرٌ﴾ “O believers! What is the matter with you that when you are asked to march forth in the cause of Allah, you cling firmly to ‘your’ land? Do you prefer the life of this world over the Hereafter? The enjoyment of this worldly life is insignificant compared to that of the Hereafter. If you do not march forth, He will afflict you with a painful torment and replace you with other people. You are not harming Him in the least. And Allah is Most Capable of everything” (Al- Tawba: 38-39)

Oh, dear armies in the Muslim world, don't be afraid of anything, since the whole Ummah is behind you. Surely, the army of Allah would always be helped and become victorious. ﴿وَإِنَّ جُنَدَنَا لَهُمُ الْغَالِبُونَ﴾ “**And indeed, our soldiers would (in the end) be victorious**” (37:173) **End.**

We pray to Allah (swt) to hasten His Nusra (victory) to Gaza and all Muslims in the east and west – Ameen.
