(Translated)

It is our pleasure to announce the opening of the official site for the Liberation Journal online...

A site where you, Inshallah, will find news and political analysis and thoughts on everything that concerns the situation in Tunisia and the world, you will also find new approaches to the Muslim Ummah's issues in the current time in accordance to the truthful and real viewpoint – nothing more or less...

Perhaps we, together with the Ummah, can surpass the camps of overshadowed media installed by its enemies in every corner of the Muslim lands.
