The Syrian Revolution that has survived Pain, Death and Betrayal for Eight Years will witness Victory, With Allah's Permission

(Translated)

The Syrian revolution, which began with the slogan "the people want to overthrow the regime" written by the children of Daraa on the walls, is now entering its eighth year. Throughout the seven years, everyone has been subjected to the malice of the oppressors, from which no one has been spared; from the infant to the old sheikh, and from women to men, and were subjected to a crushing oppression from which no ancient city, mosque or house was spared, and that was only as our Lord Almighty said: ﴿وَمَا نَقَمُوا مِنْهُمْ إِلَّا أَن يُؤْمِنُوا بِاللَّهِ الْعَزِيزِ﴾ **"And they resented them not except because they believed in Allah, the Exalted in Might, the Praiseworthy"** [Al-Buruj:8].

These sincere people, who have declared it from the first moment, "Oh Allah, we have no one but you" did not kneel for seven years, despite the alliance of Assad, Iran and its party in Lebanon, Russia, America and the coalition forces with it, the criminal spies and leaders lured by greed between them and the dirty political money!!

They did not bow their necks to the massacres carried out against them under the leadership of America and under the supervision of the United Nations! They did not accept the proposal of the secular system imposed on them, and for that they gave their martyrs and accepted to be migrants leaving their homes and land but did not turn away from the work to change the tyrant regime. They did not support those who sold their revolution and the blood of their martyrs at the tables of treason organized in Geneva, Riyadh and Astana! And they did not accept the American-led puppets, which America offered as a substitute to the tyrant Assad.

While struggling to survive under difficult circumstances and limited opportunities, they did not see the necessary support from the Islamic countries that possess all kinds of potential and power, whereas Islam orders them to mobilize their armies to support the oppressed of their Muslim brothers and sisters, the Almighty says: ﴿وَمَا لَكُمْ لَا تُقَاتِلُونَ فِي سَبِيلِ اللَّهِ وَالْمُسْتَضْعَفِينَ مِنَ الرِّجَالِ وَالنِّسَاءِ وَالْوِلْدَانِ الَّذِينَ يَقُولُونَ رَبَّنَا أَخْرِجْنَا مِنْ هَذِهِ الْقَرْيَةِ الظَّالِمِ أُهْلُهَا﴾ **"And what is [the matter] with you that you fight not in the cause of Allah and [for] the oppressed among men, women, and children who say, "Our Lord, take us out of this city of oppressive people and appoint for us from Yourself a protector and appoint for us from Yourself a helper?"**" [An-Nisa:75]

Instead of fighting alongside the oppressed, they preferred to enter into partnership with the oppressors, opened their bases for them and joined the crusader alliance! The murderous criminal Assad has become in their eyes a lion, and they made the criminals Russia and Iran "guarantor". And those who said yesterday, "Assad has to go," they began to say today, directly or indirectly, "we can meet him", those who denounced the Russian presence in Syria, say today: "Russia is part of the political solution in Syria", and those who contributed to the fall of Aleppo first, work today on the fall of Idlib! And they fear America to the extent that drives them to do what it dictates to them, while Allah (swt) says: ﴿أَتَخْشَوْنَهُمْ فَإِنَّ اللَّهَ أَحَقُّ أَنْ تَخْشَوْهُ إِن كُنتُمْ مُؤْمِنِينَ﴾ **"Do you fear them? But Allah has more right that you should fear Him, if you are [truly] believers."** [At-Tawba:13]

O people of Ash-Sham! Your revolution has seen many colonial nightmares, betrayals, killings, destruction, tears and blood. But you will also witness Allah's victory with His permission, by your trust, your belief in Him Almighty and your reliance on Him alone as you did at the beginning of your revolution. And for that, you must gather around a sincere political leadership and unify your call, your work and your efforts, and culminate your Islamic revolution with Khilafah Rashidah state (righteous Caliphate) on the method of the Prophethood, and Allah will grant you victory and avenge for you as He granted victory to His Prophet (saw): ﴿وَيَتَصَرِّكَ اللَّهُ نَصْرًا عَظِيمًا﴾ **"And [that] Allah may aid you with a mighty victory."** [Al-Fath: 3]
