O Army of Yemen: Palestine Calls upon you to Support it and Crush the Jews under your Feet

(Translated)

On Saturday 10/7/2023, the heroic Mujahideen in the Gaza Strip stunned the Jewish entity and the entire world with a surprise attack on Jewish settlements by firing thousands of rockets and shells since the early morning as part of the Operation Al-Aqsa Flood, which warmed the hearts of Muslims, awakened the world's slumber, and revived the spirit of Jihad in the souls, so we ask Allah for them victory and steadfastness.

As usual, the agent-rulers in Muslim countries find nothing but condemnation, denunciation, or calls for demonstrations! The organizing committee for the events called on the masses of the Yemeni people to rally in a march of support for the blessed Operation Al-Aqsa Flood this afternoon in Bab Al-Yemen in the capital, Sana'a.

As for the city of Taiz in central Yemen, massive demonstrations took place in support of this operation against the Jews, and the demonstration took place through the streets of the city center.

The fact that people went out to demonstrate and express their blessings for these actions against the Jews indicates that they yearn to liberate Al-Aqsa Mosque, but what is preventing them are these rulers. The rulers are not supposed to call for demonstrations and denunciation, but rather to mobilize the armies and towards the Blessed Land of Palestine, to renew the history of the conquerors and liberators of this Blessed Land.

The Jewish entity has continued to kill, displace, and demolish the homes of our brothers in the Blessed Land of Palestine, confiscate their land, burn their trees, drag out and beat their captives. It seeks to eradicate them and Judaize the holy sites of the Blessed Land, and these policies will never stop, and will continue as long as this monstrous entity has a foothold in Muslim countries and it has also become clear that its plans to establish their alleged temple on the ruins of the first qibla of Muslims are progressing steadily.

Muslim rulers are involved in treason. Some of them openly normalized and established relations with the Jews, some of them called for stopping the war in order to protect civilians, and some of them believe that they had the right to defend themselves in our country that colonialism gave them. The traitorous rulers, and

behind them their colonial masters, realize that Muslims have not and will not sympathize with the Jewish entity, but rather they prefer death over that. These rulers are working with every effort to dissipate the fervor within us and to suppress Islamic sentiments and empty them through demonstrations and marches that had not and will not liberate Palestine or elsewhere. This proves that the rulers of the Muslims are not of the species of this Ummah, but rather they are an alien disease on its body that must be eradicated, and that these rulers are the ones who work to diminish the cause of Palestine and portray it to the Ummah as a national cause, but the entire Islamic Ummah realizes that it is the cause of a great Ummah that emerged victorious in the greatest wars on earth, defeating the Crusaders in Hattin and defeating the Mongols in Ain Jalut, and it will rise again to be victorious and regain the Blessed Land and all the occupied Muslim countries.

O Army of Yemen, O People of Strength and Invincibility:

It is a grave sin and a great shame for you to fight amongst yourselves to serve the plans of the Kuffar (disbelievers), and the Jews are rampaging in the blessed land of Palestine, and they are the Allah's weakest creation! Do you not hear their wailing and fear of Mujahideen who do not possess a fraction of the weapons under your hands?! You are sinful and sinful as long as you remain sitting and watching in front of the screens while you are capable of victory. Nussrah (victory) is the ally of the true believing Muslims, and this is Palestine, the land of the Israa and Miraaj, calling you. It will not be liberated by demonstrations and marches, but by your hands and the hands of the loyal armies of the people of this Ummah. You are the ones that Palestine needs, and you are the only ones who can bring victory to Palestine and other than Palestine. The Ummah as a whole is looking to you, asking for your help, crying out to you, seeking your help, searching for supporters like those of the past. Here, the heroes of Gaza have lit the spark, waiting to set fire to this monstrous entity. Will you support them like they have supported you? Allah (swt) says: ﴿وَإِنْ اسْتَنْصَرُوكُمْ فِي الدِّينِ فَعَلَيْكُمُ النَّصْرُ﴾ **“But if they seek your help against persecution in faith, it is your obligation to help them”** [Al-Anfal 8:72]. So, be the people of strength and courage and the people of jihad until the Day of Resurrection. Renew the legacies of the Ansar, renew the legacies of the first Mujahideen, your ancestors, who left the happy Yemen to carry Islam to the corners of the earth. We in Hizb ut Tahrir call on you to support our people, crush the Jews, and establish the second Khilafah Rashidah (Rightly-Guided Caliphate) State on the Method of the Prophethood.

Allah (swt) says: ﴿يَا أَيُّهَا الَّذِينَ آمَنُوا اسْتَجِيبُوا لِلَّهِ وَلِلرَّسُولِ إِذَا دَعَاكُمْ لِمَا يُحْيِيكُمْ وَاعْلَمُوا أَنَّ اللَّهَ يَحُولُ بَيْنَ الْمَرْءِ وَقَلْبِهِ وَأَنَّهُ إِلَيْهِ تُخْشَرُونَ﴾ **“O believers! Respond to Allah and His Messenger when he calls you to that which gives you life. And know that Allah stands between a person and their heart, and that to Him you will all be gathered.”** [Al-Anfal 8:24].
