

Hizb ut Tahrir / Wilayah Yemen Congratulates the People of Faith and Wisdom and the Islamic Ummah on the Occasion of Blessed Eid al-Adha

(Translated)

Hizb ut Tahrir / Wilayah Yemen extends its warmest congratulations and most precious blessings to the people of faith and wisdom, and to the Ameer of the Hizb, the eminent scholar Ata Bin Khalil Abu Al-Rashtah, and to all the members of the Hizb, and to the entire Islamic Ummah on the occasion of the blessed Eid al-Adha for this year 1446 AH. May Allah return it upon them, upon us, and upon the whole world with goodness, blessings, and joy.

We ask Allah, the Almighty All-Powerful, to unite the Islamic Ummah after it has been torn apart and divided, suffering greatly as a result, and to enable Hizb ut Tahrir the establishment of the Khilafah Rashidah (rightly-guided Caliphate). A Caliphate in which the Takbeerat (proclamations of Allah's greatness) of Eid are mixed with the Takbeerat of purifying Gaza and all of Palestine from the filth of the brothers of apes and pigs, and Kashmir from the filth of the Hindus, and all the occupied Muslim lands from the yoke of occupation, restoring them to the embrace of the Islamic Ummah, with the Takbeerat of raising the banner of Al-'Uqab high across the lands, at the hands of the rightly-guided Caliph Ata Bin Khalil Abu Al-Rashtah, declaring the establishment of the second Khilafah Rashidah on the method of the Prophethood.

We also ask Allah Almighty to open hearts and minds in the East and the West to embrace Islam, bringing them out from the worship of created beings to the worship of the Lord of creation, after the world has been turned into a hell by the capitalist ideology, separating Deen from life, degrading humanity to animalistic levels, and boasting about promoting immorality and perversion, and calling for it without any shame before Allah or His servants; so that the earth may be filled with justice after it has long burned under the flames of the oppressive and tyrannical capitalist system, which now witnesses an unprecedented catastrophic economic collapse looming over the world due to the removal of the gold standard in monetary dealings and restricting it to fiat paper money, causing the loss of people's wealth.

Since the fall of the crown of obligations, the Khilafah State, Eid celebrations have been mixed with pain and bitterness due to the suffering of the Ummah. The scenes we see today in Gaza of Hashim should stir the movers in the Ummah, its armies, scholars, political parties, youth, and media figures toward a noble goal, which is the uprooting of the Jewish entity and those rulers who stand in the way.

In conclusion, we wish to draw the attention of media figures and people of influence to highlight the solution that saves all humanity, it is right in front of you and within your reach: it is the application of Islam in real life. Hizb ut Tahrir is among you, its roots are deep, and its branches are far-reaching. Do not let the West and its allied rulers distract you from it or from highlighting the vital issues of Muslims. View the events through the lens of the Islamic creed.

May Allah accept the acts of worship of the pilgrims to the Sacred House of Allah and the good deeds of those not performing Hajj. Eid Mubarak to you all, and may you draw closer to Allah. O Allah, hasten the relief and gladden us with the great victory: وَيَوْمَئِذٍ يَفْرَحُ الْمُؤْمِنُونَ * بِنَصْرِ

اللَّهُ "And that day the believers will rejoice, In the victory of Allah. He gives victory"

[Surat Ar-Rum:4-5].
